TRAILER WASHOUT LIST

PHONE 1-515-574-4097

Do NOT washout your empty trailer until you know where the next load will be.

Do NOT sign or pay for a washout without first inspecting the trailer to ensure it is done to expectations.

You MUST call to have any nursery, potato, or bloody trailer washed out.

Tractor #, Trailer #, and Load # should be written on the receipt before scanning it in.

If any washout estimate is over \$40.00, call for authorization. The Guards can contact Bruce for you if after hours.

The washout prices are estimates for cash payment, unless otherwise noted.

If there are any errors, suggestions, additional washes, or complaints about any of these listed, please let us know.

If any of these facilities are no longer in business call so they can be removed from the list.

This list does not imply that Decker Truck Line, Inc. is promoting any particular wash or chain of washes.
